Enrollment increases; new buildings added

Itawamba Community College has come a long way since 1989 when its name changed from Itawamba Junior College. There is even evidence of progress since last year. Itawamba Hall, which is scheduled to be open in the fall, will house an additional 200 women students on three floors. All of ICC's non-credit programs were relocated to the Belden Center last August to free space for more academic class scheduling at the Tupelo campus. This year, for the first time in ICC's history, all 2009 graduating seniors in its five-county district were guaranteed free tuition. ICC has grown significantly since 1948 when it opened its doors and continuing increased enrollment includes the more than 6,000 faces of today.

From rock to rap to country to tech-no, music has to be one of the essentials in the lives of ICC's students — and even faculty and staff — today.

It's everywhere.

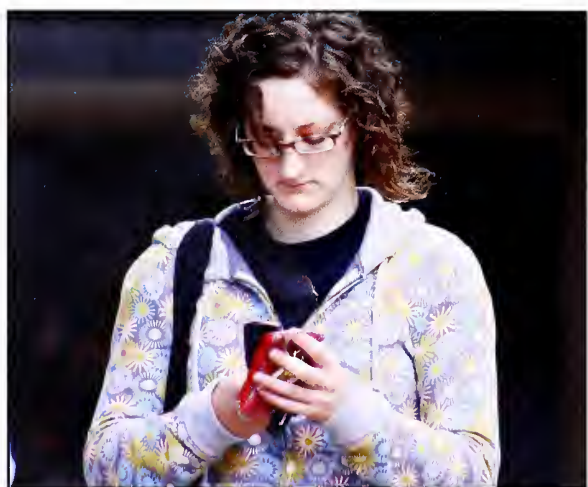

ICC's All-American Band continues to be one of the largest in the state, and this year's program brought the "Guitar Hero" soundtrack to life.

CenterStage also gave John Mayer a run for his money in its show entitled "One World."

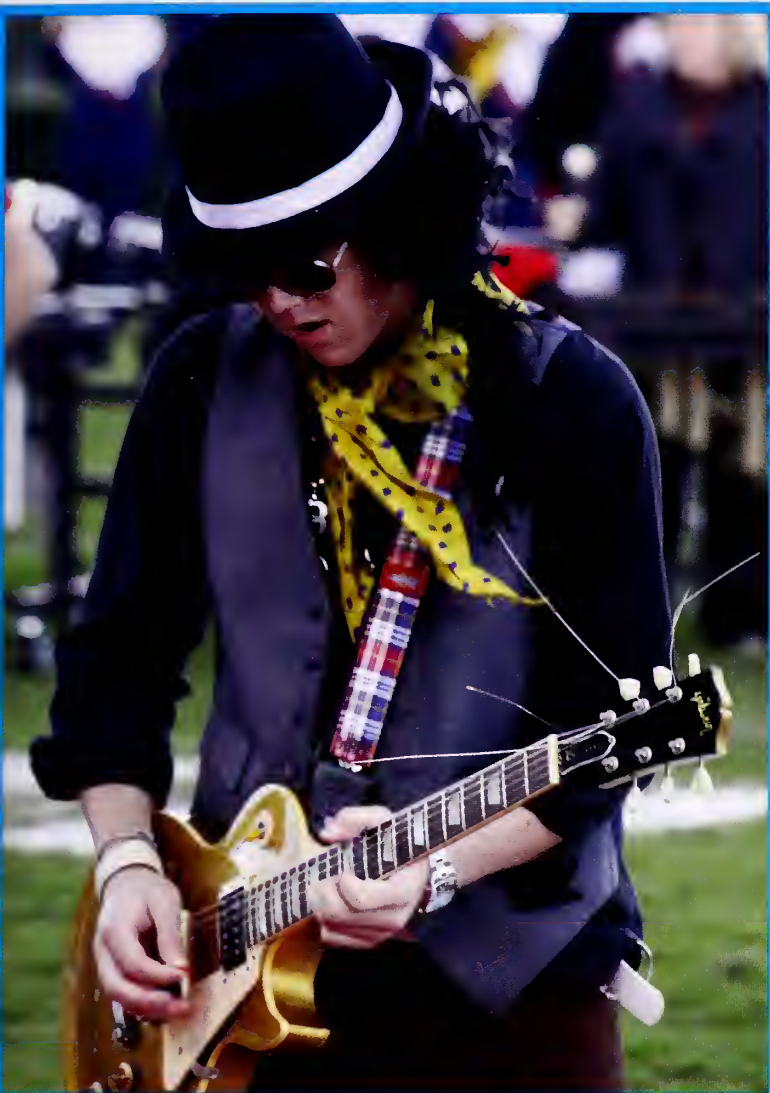

Another music-related event is "Indian Idol," which is similar to Fox's American Idol. Sponsored by the Student Government Association on the Fulton campus, ICC's best singer is selected at the finale during Indian Week.

iPods have become almost more popular than cell phones at ICC, and the iPad is the latest phenomenon.

It's easier than ever to plug in and listen to music as students make their way between classes.

Facing off

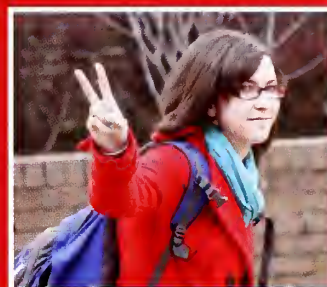

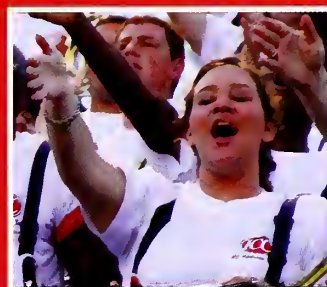

Every sport at ICC has set the bar for excellence high.

Past state champions, division champions, coaches and players of the year have left huge shoes to be filled, and every member of every team accepted the challenge this year.

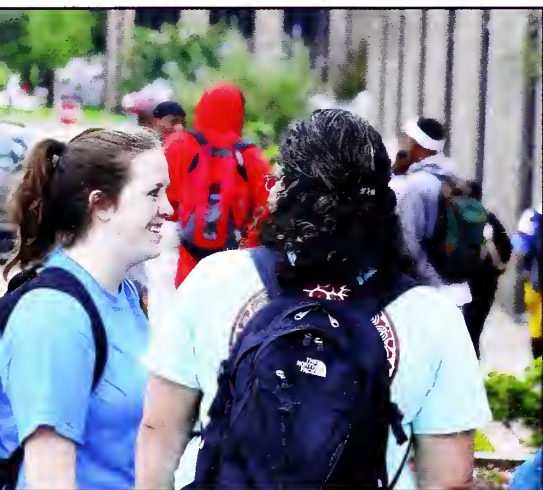

Coaches considered carefully each potential recruit to determine how he/she would fit into the team and the maximum potential for winning.

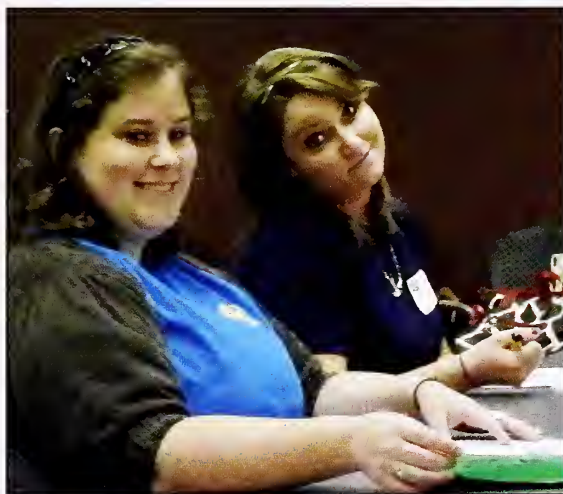

Every year, the legacy of success in each sport drives each team and individual player to be the best, no matter if it's the first game of the season or the state championship. This year was no exception.

No matter what the score of the game, the Indians played with pride in their hearts and on their faces. And the fans responded.

Friendly Faces

College is for making friends. Students may live in a residence hall or an apartment with their best friend or complete stranger, but ICC is about getting involved and building lasting friendships.

Putting on

a happy face

Friendly faces with smiles are the norm at Itawamba Community College.

No matter whether it's another student, faculty or staff member that you meet on both campuses, almost everyone offers a smile and a friendly "hi" or "hello," proof of how exciting it is to be a member of the ICC family.

About face

Itawamba Community College has faced dramatic changes this year. Long lines at the bookstores, cafeteria and grill are signs of skyrocketing enrollment. Classroom space is at a premium. A continuing waiting list for residence hall rooms has led to the construction of Itawamba Hall which will be completed by the 2010 fall semester. More academic classes have been added to the Tupelo campus schedule with the relocation of all non-credit programs to the Belden Center which opened in August. In addition, administrators had to do an about face when state appropriations were cut significantly, forcing the College to do more with less.

a face in the crowd

Enrollment at Itawamba Community College increased in double digits again both semesters this year.

The Tupelo campus schedule was expanded to include more academic classes following the relocation of non-credit classes to the Belden Center last August.

Even so, Itawamba Community College's students were more than just a face in the crowd.

Advisers and students met for one-on-one face time to plan schedules and to determine that they were on track to either graduate or to achieve their goals set when entering ICC.

The opening of the Student Success Centers on both campuses also provided more opportunity for personal tutoring and counseling.

A large crowd of people, mostly students and families, are seated in bleachers at a graduation ceremony. In the foreground, graduates in black caps and gowns are visible, looking towards the front of the hall. The background is filled with a diverse group of people, some holding up phones or cameras to capture the event. The overall atmosphere is one of a significant academic milestone.

Face
the future

Today's ICC's students are the faces of the future. Because of the solid educational foundation that they have received, they will be able to transfer to a four-year college or take their places in the work force. Meanwhile, ICC will continue to provide the same quality education and family atmosphere from which current students have benefitted including valuable life skills which will help them to more confidently face their future.

Homecoming

Tie-dye, love beads, '60s attire all combined for a 2009 "Peace, Love and Indians" Homecoming at Itawamba Community College.

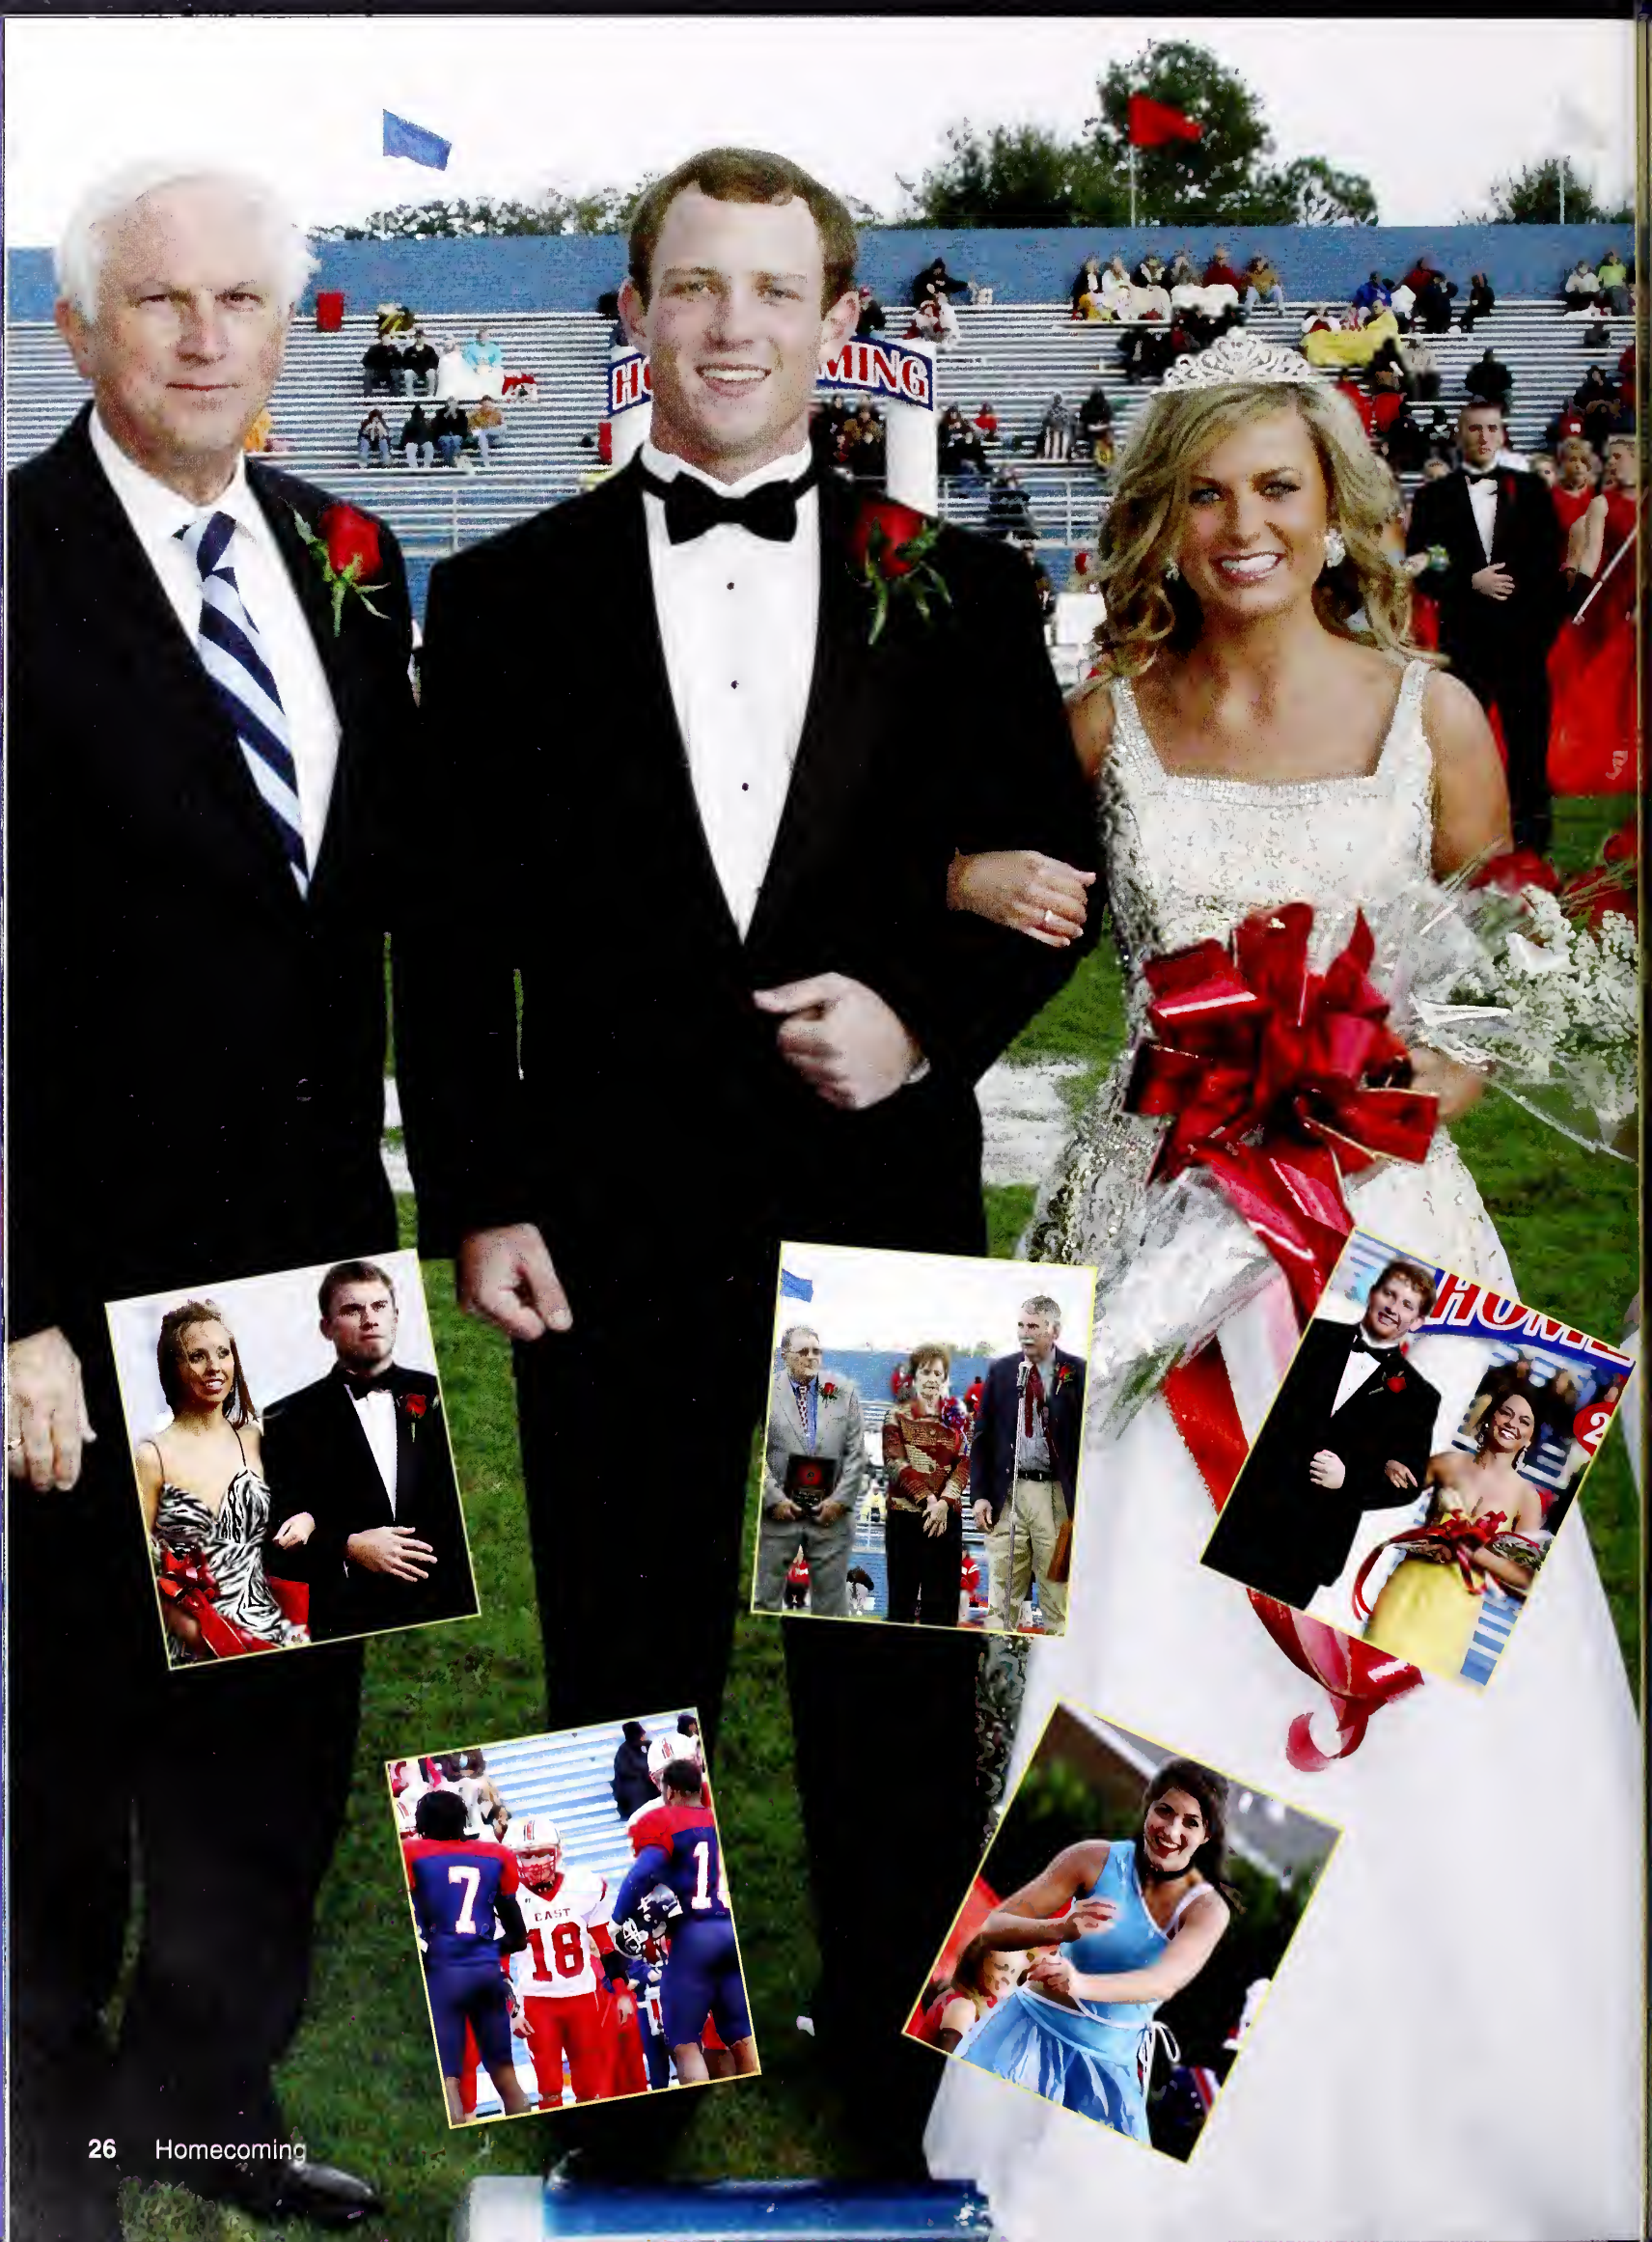

An abbreviated Homecoming week schedule because of fall break still provided time for such activities as Find the Lost Indian on both the Fulton and Tupelo campuses.

Students at the Fulton campus participated in T-shirt tie-dyeing, cookouts at the Crane Pavilion, viewing the 1963 movie "Pink Panther," Hippie Day, Tie-Dye Day and a Friday pep rally where the Homecoming court was introduced.

At the Tupelo campus, activities

included '60s day where students were urged to dress in their favorite attire of the era, for which cash was given to the winners of the contest, a pep rally, free food, music and the presentation of the Homecoming court.

The Fulton campus Student Government Association selected the "Peace, Love and Indians" theme, which was carried out with decorations and signs such as "groovy," "rad" and "far out" and peace sign necklaces were handed out at the entrance to Lambert Stadium for Saturday's game against East Mississippi.

Homecoming

A cold and windy day in Fulton didn't stop Itawamba Community College from celebrating Homecoming 2009 on October 17. Activities began with a luncheon in the Student Services Building at noon and a recognition ceremony honoring Alumnus of the Year Gary Franks of Fulton and Athletic Hall of Fame inductees Billy Tibbett of Amory and tennis coach Paul Johnson of Fulton at 1 p.m.

Field activities included a pre-game formal presentation of the Athletic Hall of Fame inductees and a show by the All-American Band. At halftime, the Alumnus of the Year and Alumni Association president Noel McWhirter were recognized; the All-American Band performed and the Homecoming court was introduced.

Facing page, Dr. David Cole and Adam Royce pose with 2009 Homecoming Queen Kiersten Seward. Lauryn Stewart and escort Tyler Gillen watch the crowning of the Homecoming queen. The top five included Amanda Robinson of Pontotoc, first alternate; JaChrista Madison of Belden, second alternate; Blaine Watson of Saltillo; and Kelsie Young of Pontotoc.

Hood will represent the College at area community activities during the year of her reign. She also received the Student Body award, the result of online student voting.

Who's Who

More than 60 Itawamba Community College sophomores were named to Who's Who Among Students in American Junior Colleges for 2009-10.

ICC's nominees were selected by faculty and staff on both the Fulton and Tupelo campuses based on their academic achievement, service to the community, leadership in extracurricular activities and potential for continued success.

ICC's nominees joined an elite group of students from more than 1,400 institutions of higher learning in all 50 states, the District of Columbia and several foreign nations.

Outstanding students have been recognized in the annual directory since it was first published in 1966.

Indian Week

Students on both the Fulton and Tupelo campuses had an opportunity to participate in fun activities before exams during Itawamba Community College's Indian Week, April 20-23.

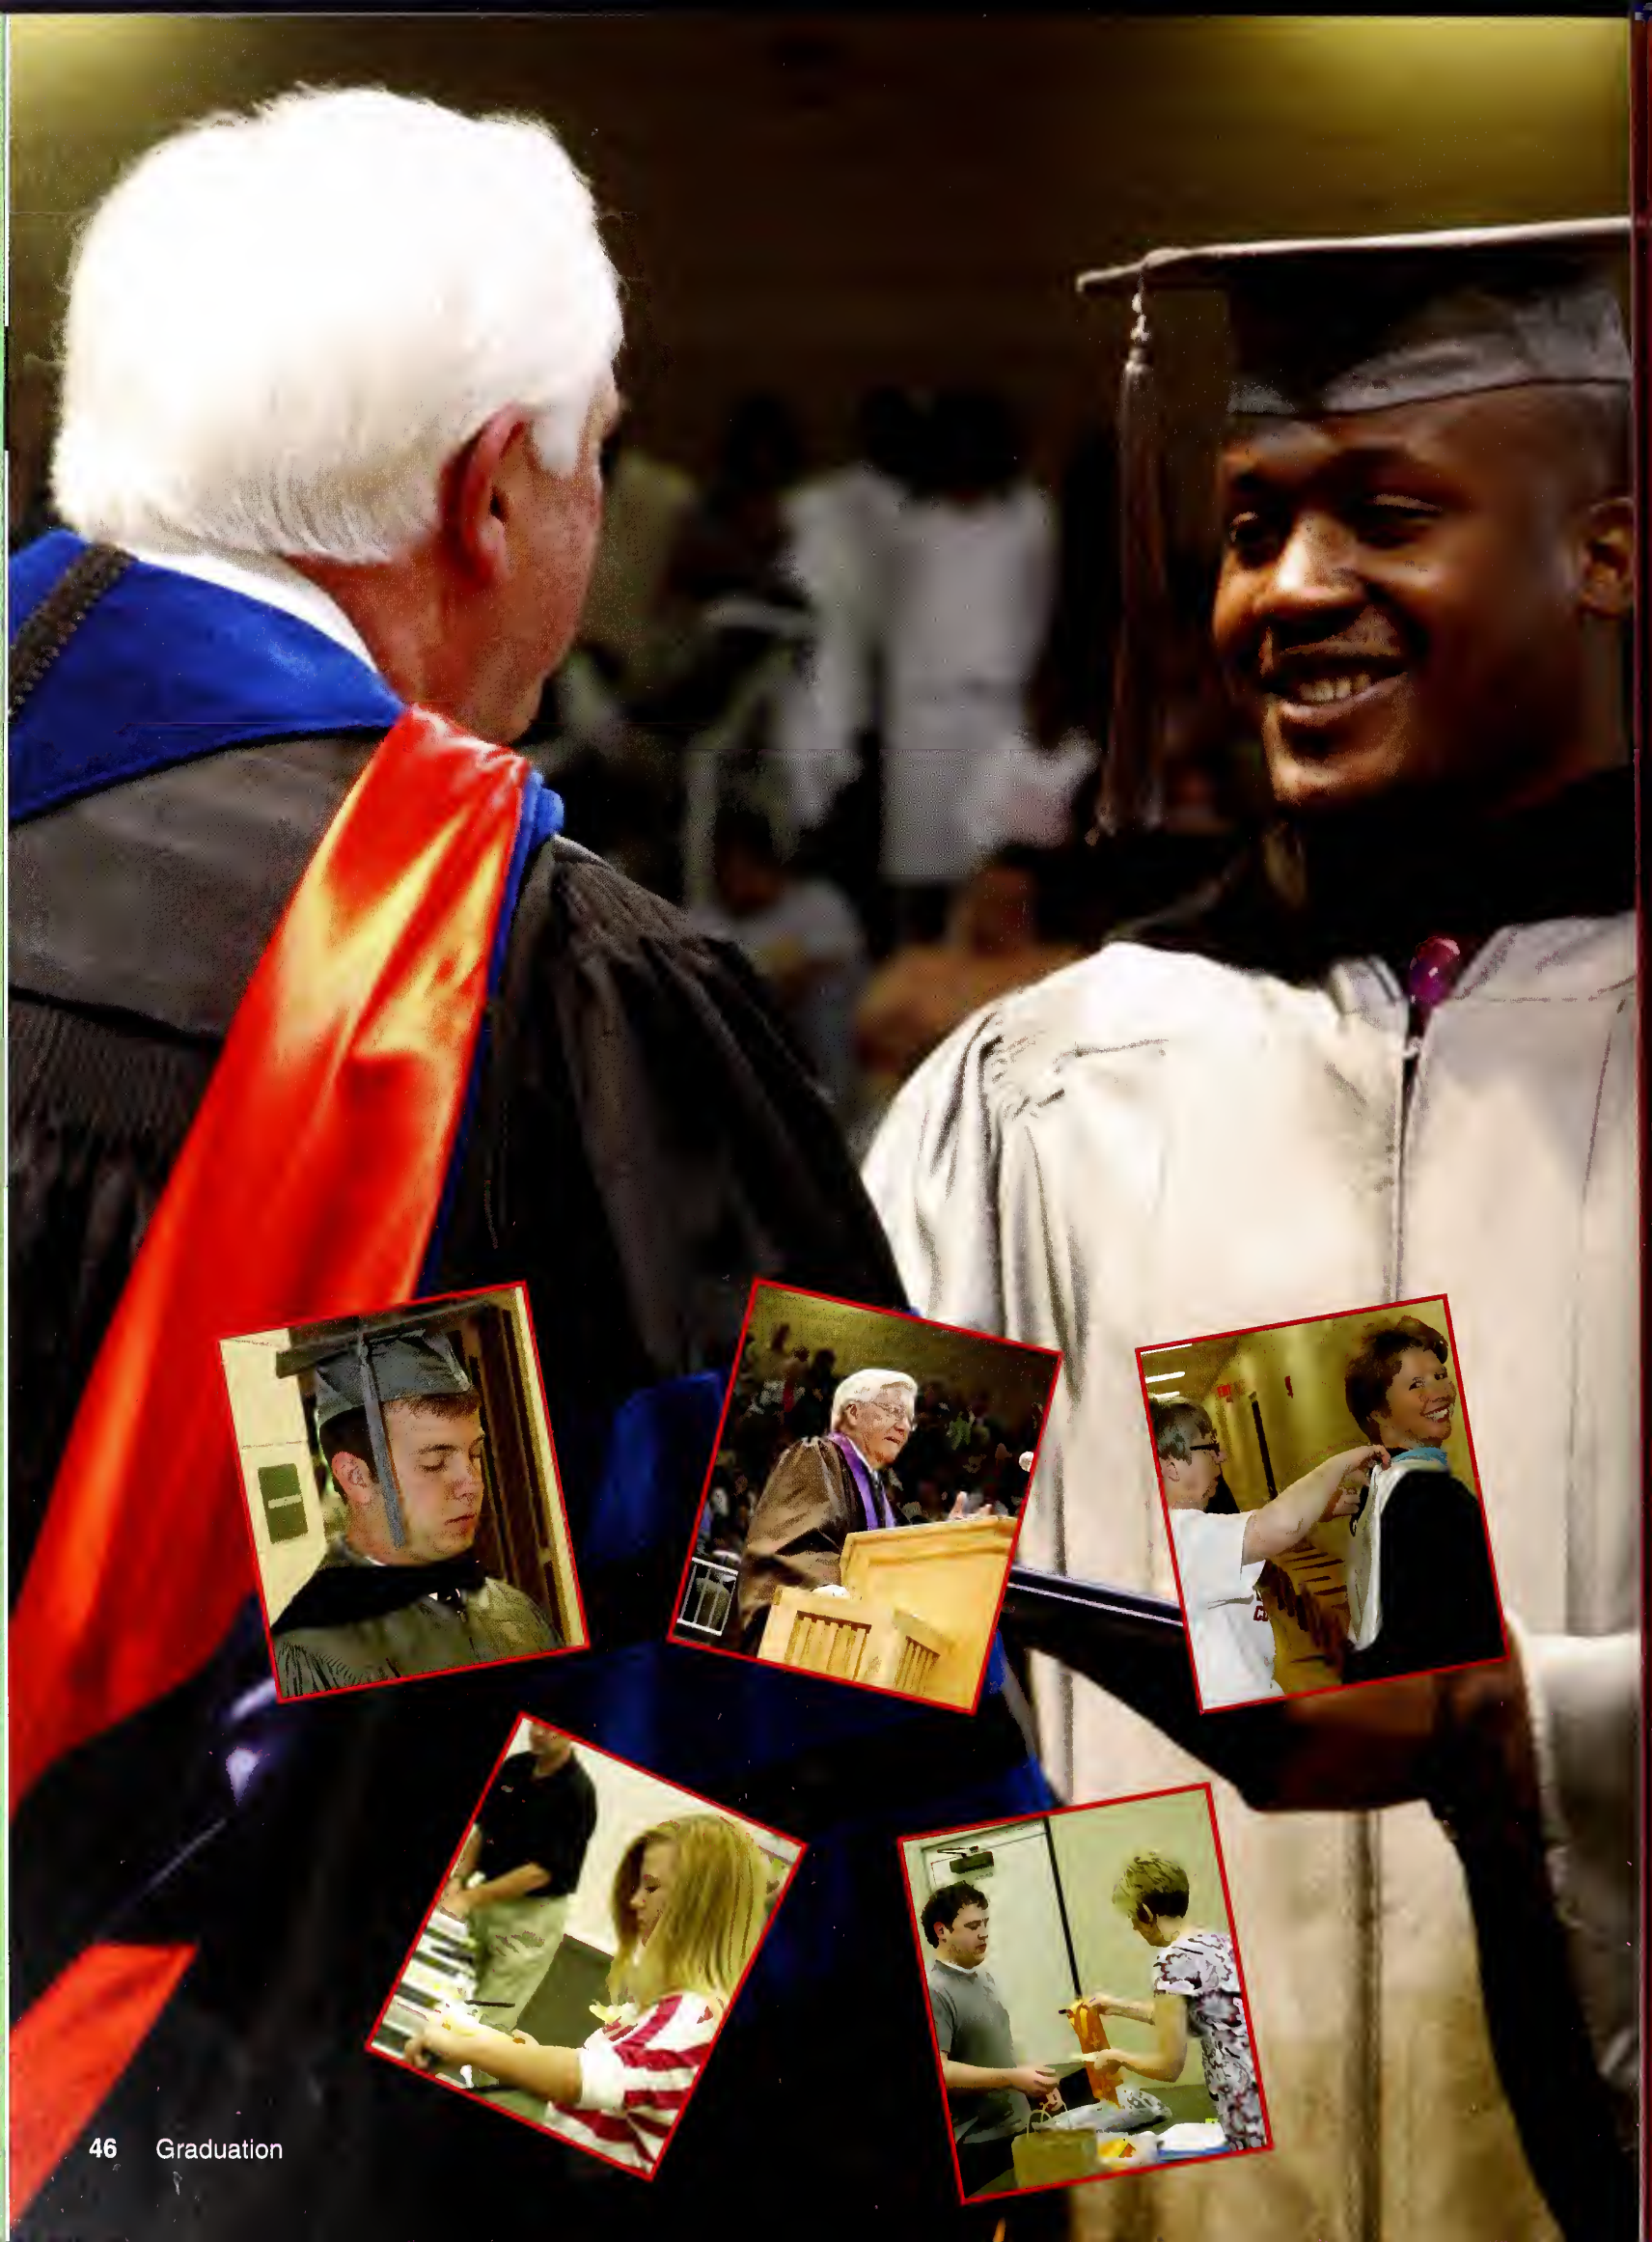

Activities on the Fulton campus included caricature artist Steve Gipson, a hot dog eating contest, ICC Fear Factor sponsored by the Baptist Student Union, hamburger and hot dog lunches, game shows, hot dog eating contest and the Indian Idol finale, which was won by Sarah

Plunkett.

In addition to caricature artist Steve Gipson, the Tupelo campus activities were a hot dog eating contest, bingo, club-sponsored events, talent/karaoke show and inflatable games.

Students on both campuses also had the opportunity to Find the Lost Indian for \$50 in cash.

T-shirts commemorated ICC's 60 years of excellence, the theme for Indian Week 2009.

Graduation

Rev. Glyn O. Wiygul of Fulton, a member of Itawamba Junior College's first graduating class, was the keynote speaker for the commencement ceremony, May 10 at the Davis Event Center at the Fulton campus. More than 600 sophomores walked across the stage to shake hands with ICC President David C. Cole and to receive diplomas or certificates.

Family members and friends packed the Davis Center to offer their support.

The day began with a breakfast in the cafeteria sponsored by the Alumni Association, cap and gown pickup and a rehearsal.

Ceremony

recognizes top students

Itawamba Community College honored its top students during the annual "Evening of Academic Excellence," April 14, at the W.O. Benjamin Fine Arts Center auditorium at the Fulton campus.

"ICC is helping people access the American dream through knowledge and skill," said ICC President Dr. David C. Cole.

Former Mississippi Lieutenant Governor Amy Tuck spoke to the honorees and offered both congratulations and advice for life.

"Never mistake knowledge for wisdom," Tuck said. "One helps you make a living, the

other helps you make a life."

"Leaders must be patient," she said. "You can achieve extraordinary things. Our honorees tonight are the best of the best. Believing that your dreams are possible is the strongest commitment in the world."

During the ceremony, the top students from all divisions and departments were recognized and presented with a plaque.

Also recognized was the Phi Theta Kappa All-USA Academic Team including Andrea Rodgers, Kerri DeWitt, Caitlin Flatt and Cynthia Lemons.

In preparation for the 2010 spring season, the ICC defending state champion baseball team participated in three fall tournaments as well as 14 intrasquad scrimmages during the 2009 fall season, including the annual Red-Blue Series.

Head coach Rick Collier said of his fall team, "We saw what we needed to see."

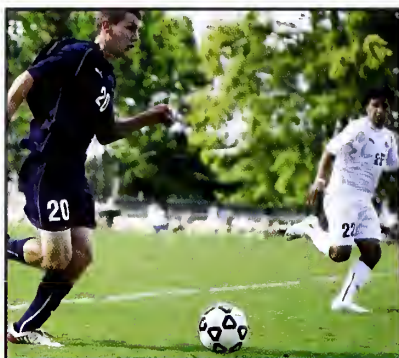

"The team has some great arms," Collier said, and he hopes to see some of the new bats heat up in the spring.

Collier said that returning All-American Ladarrius Cole of Nettleton had a "huge fall" and will most likely keep his leadoff spot in the Indians' lineup.

Hatley's Jake Sloan also did well at the plate, and the left-handed hitting sophomore third baseman probably will hit third in the spring lineup.

"We still have some positions that are wide open," Collier said. "Hopefully our guys will continue to work hard between now and the start of pre-season workouts, January 10."

Lady Indians continue play at state tourney

According to ICC head coach Mike Sullivan, heartbreak was the best adjective to describe the MACJC State soccer tournament for the Lady Indians. A 1-0 loss sent ICC home and sent Pearl River to the state championship game.

"This was one of those games where someone had to lose and unfortunately, it was us," Sullivan said. "We can hold our heads high though, as we played as hard as we could. We just came up an inch short."

Sophomores Rhea McCord, Ashley Symes, Lauren Nichols, Amanda Corbell, Meagan Nichols, Meghan Brown, Marissa Senneff, Katelyn Barefoot, Aleigha Bondurant and Joscelyn Dexter ended their ICC careers at the conclusion of the semifinal game. "I'm really going to miss these young women as they've been a lot of fun to coach and they always played hard," Sullivan said.

With the loss, the Lady Indians finished tied for third place in the state and ended the fall season with a 7-7-1 overall record.

A new fall semester at ICC brought changes in the cheerleading squad.

Edana Nail took over the squad, her first. "I decided to do it because I knew it would be a lot of fun, which it really has been, and I love to work with students who like to be involved with the College."

And, involved they were. On Mondays and Wednesdays, they practiced from 3-5 p.m. and on Tuesdays, worked out by running or exercising in the fitness center.

Thursdays were game days during football season, when they transitioned from practice to the sideline to lead cheers for the Indian fans.

Because the cheerleaders couldn't go to competition this year, the games were their main focus for all of their hard work, Nail said. "We had tried to make it (competition) possible, but with budget cuts, it's just not going to happen."

Nail and the cheerleaders' plans for the year included hosting a high school competition on the Fulton campus during the spring semester as well as a children's cheer camp.

The cheerleaders added new stunts and cheers to their routine this year.

Members of the squad included Kayla Clark, Chasity Bailey, Lindsey Rae Johnson, Lindsey Suzanne Johnson, Stormy Trulove, Dylan Willette, Alex Lyons, Mackenzie Copeland, Chris Barnett, Felicia Putt, Joel Farmer, Chris Patton, Jade Palmer, Kiersten Seward, Cheslin Clemons and Hoby James.

After coming off successful seasons, both the Lady Indian and Indian basketball teams took the court with visions of similar outcomes.

The women's goal was a third season in a row with 20 or more games won, and the men wanted to defend their three-time north division championship string.

"Expectations are always very high, and whoever wins the north men's championship gets to host the state tournament," head men's coach Marty Cooper said. "Sometimes it's difficult when you get to the point where people expect you to win, but I think our players understand that."

"We have had two successful seasons in a row," head women's coach Nanci Gray said. "There is always some tradition but you are always dealing with newness in community college."

Both the men and women's basketball teams officially began their pre-season workouts the first week in October.

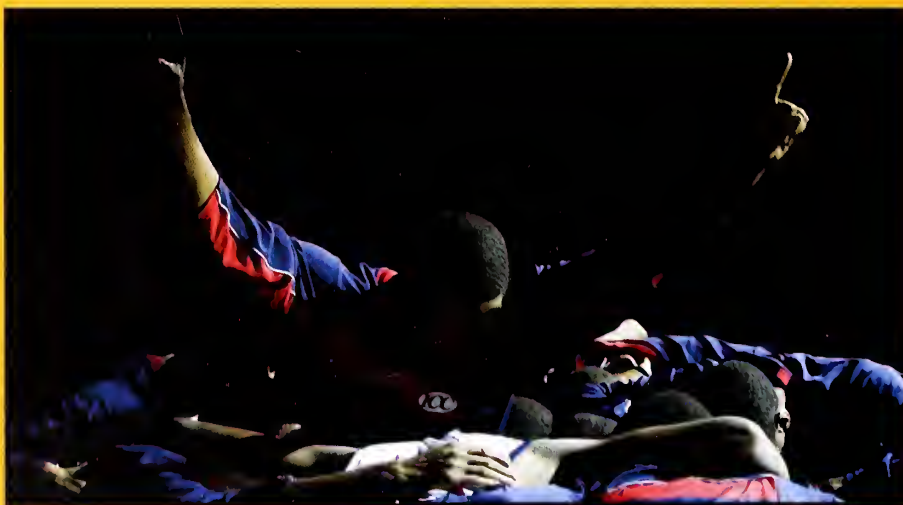

"The biggest thing is teaching these new guys fundamentals, how we want them to play," Cooper said.

The women had only one returning starter, but four returning sophomores.

"We have three kids coming back that played, one that pretty much started for us all year and two with lots of quality time," Gray said.

The men have also brought back only one returning starter, and Jeremy Word returned after taking a break from basketball last season. "I am hoping that his (Word's) leadership — he is a third year guy, football two years and basketball one — and maturity will be a benefit to a team that has a lot of new faces," Cooper said.

"The toughest thing is just getting them all to come together as a group and stop being individuals and think about the team concept."

The Indians go through their pre-game ritual.

Coach Nanci Gray's team rallied from a 12 point deficit to upset No. 30 Jones County Junior College on January 6.

On January 21, the Lady Indians finished the first half of division play in first place at 5-1 with a 58-55 win over the Mississippi Delta Lady Trojans.

On January 28, they reached double digits in a 100-42 win over the Coahoma Lady Tigers.

In an overtime win against Copiah-Lincoln, Jeremy Word hit a game-winning three pointer with five seconds left.

Following the December break, the Indians' 89-88 loss to Jones County Junior College snapped a five-game winning streak.

On January 11, ICC came up short in a hard-nosed defensive battle with the East Mississippi Lions on the road in Scooba. EMCC hit a three-pointer with a minute left that proved to be the difference in the game.

Todd Nelson broke out of a shooting slump to hit four three-pointers and finished with a team high 16 including two late clutch free throws to lead the Indians over the Northeast Tigers, January 14.

Vincenzo Nelson's drive and dunk gave ICC the 48-47 lead over Coahoma, January 28, one that it never relinquished in the 76-66 win.

HOMERUN

The 2009 spring softball team, which began play February 16 after the season opener on February 14 was washed out, consisted of seven sophomores and 10 freshmen.

According to coach Chad Case, "This team's hard work and dedication earned them a spot in both the state and regional tournaments."

The Lady Indians broke the school record for wins with 30 that was set the previous year by coach Case's first team.

Those players who earned postseason honors included CeCee Austin and Melisa Russell, all-state and all-region; and Brooke Tedford and Heather Whitworth, all-state.

Lady Indians advance to state, regional tournaments

To prepare for the 2009 spring season, Itawamba Community College's softball team practiced hard.

The Lady Indians were scheduled for 50 games, but due to inclement weather, the number was reduced to 46. Also, Coach Chad Case's team was scheduled to participate in the Pearl River tournament, but it was cancelled due to rain.

The team finished the 2009 season with a 30-16 record and a trip to both the state and regional tournaments.

ICC swept the Northeast Lady Tigers, 3-2 and 5-2, on April 20 to qualify for the Region 23 tournament. "This is a great feeling," said ICC centerfielder

Rachel Tally, whose defensive play in the opener helped the Lady Indians' cause. "We played together. We wanted it real bad and it showed." Tally ran down a potential run-producing fly ball at the fence by Northeast's Samantha Yarber in the fifth inning.

Itawamba Community College's men's and women's tennis teams finished the 2009 season with 10-5 and 8-4 records, respectively.

Highlights of the Indians' season included three doubles teams outscoring Holmes, 24-3; domination of a good Jones Bobcats team; a clean sweep over Gulf Coast and all six single matches won in straight sets against East Central. Marco Linconir won the regional championship at number one singles after a three set victory, 6-4, 3-6, 6-4 over Hinds' Heleb Maslau. Linconir turned an ankle in the national tournament in Plano, Tex.

The Lady Indians won every point except #1 singles against Lambuth University on March 4. Other notable facts about the season are straight set wins in singles over Northeast on March 3, straight set wins in every match over the Lady Tigers on April 1, a third place finish at the state tournament in Hattiesburg and fourth at the Region 23 tournament.

Itawamba Community College's Lady Indians tennis team finished its season third in the state tournament in Hattiesburg, and according to head coach Paul Johnson, the team members played well over the course of the three-day tournament.

The Lady Indians, who had five matches cancelled due to inclement weather and not made up, went 8-4 during the regular season including a pair of 9-0 victories over rival Northeast. In those two victories over the Lady Tigers, ICC did not lose a set. In fact, the #1 doubles team of Erin Boast and Hannah Thomas didn't lose a game in either match.

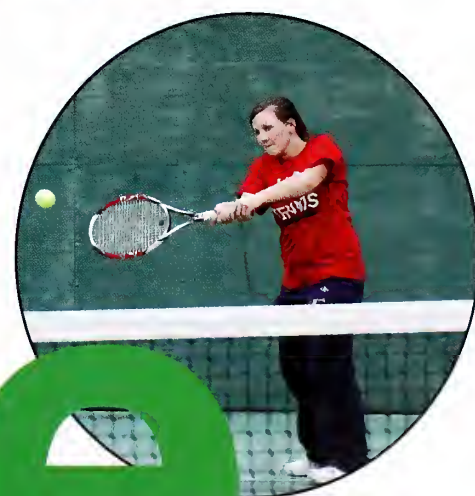

Another highlight of the season was a 6-3 victory over Gulf Coast on the road, where Boast, Thomas, Lindsey Wilburn and Lori Beth Byrd lost a combined four games in the four singles matches.

Itawamba Community College's men's tennis squad finished the 2009 season tied for second at the Region 23 tournament in Meridian.

Marco Linconir won the regional championship at number one singles after a three set victory, 6-4, 3-6, 6-4, in the finals against Heleb Maslau of Hinds who finished fourth in the nation last year.

The Indians reached the Region 23 finals in three other categories including Linconir and Carl Ballard, losing in number one doubles; Jody Vinson losing in number four singles, and Jason Vinson and Jamie Roberts, losing in number three doubles.

Linconir picked up a pair of state titles in number one singles and number one doubles with his partner Ballard. Jody Vinson also won the state title, and his brother Jason teamed up with Roberts to capture the state crown in number three doubles.

ICC's men finished 17th in the nation at the NJCAA National Tournament in Plano, Texas.

Itawamba Community College golf standout Alex Rowland's goal was qualifying for the NJCAA National Tournament in Scottsboro, Ala., but the freshman from Houston High School, who had a third place overall finish at the MACJC State Championship in Holly Springs, knew it wouldn't be easy to qualify for the week-long event.

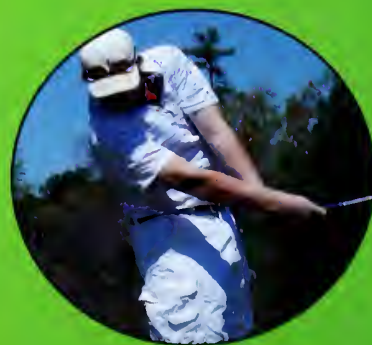

"I was pretty happy with the way I played at the state championships, especially considering the near freezing conditions," said Rowland, who in the final tournament leading up to the MACJC State Championship, led after the first round with a 69 and finished fourth among 60 golfers at the Ridge Golf Club in Corinth. "I basically had just two bad holes, and if not for those, who knows, I might have come away with a state title."

Although Rowland finished two strokes out of the winner's circle at state, ICC head coach David Rather said, "Alex had been our number one all year. He did get out of the blocks a little slower than was expected but he really finished strong, and I'm proud of the way he battled it at Kirkwood National."

Rowland had a trio of top five finishes during the spring, but after a tremendous opening round at the two-day Region 23 Tournament hosted by East Mississippi Community College at the Mississippi State University golf course, he fell short of qualifying for the national event.

The **Respiratory Therapy Club** was composed of 25 members. Although there was no set meeting time, the group met based on special events in the community. Activities were the National Respiratory Care week, health fairs in connection with the North Mississippi Medical Center and the asthma camp in May. In considering music for the All-American Band, director Brian Gillentine said that he wanted to “have a halftime show that people enjoy as well as a successful Christmas parade program that people will enjoy and promote ICC in a positive manner.”

This year’s band had to learn the show earlier than ever before,” Gillentine said, “and handled it wonderfully.”

Cole continues to provide visionary leadership

Visionary leadership has become a trademark for Dr. David Cole since he became Itawamba Community College's President in 1993.

This year, the College opened the Belden Center, its first expansion since the Tupelo campus began operation in 1963 and the culmination of countless hours spent to ensure ICC's status as a premier community college and the fulfillment of its mission to provide exceptional education and service to the residents of the region.

Dr. Cole quickly points out that ICC's success is the result of a team effort, especially in a year of budget reductions, but the College wouldn't have attained that status without his visionary leadership.

He is also a contributing member of various boards and organizations and participates in community activities throughout ICC's district.

He and his wife, Betty, have four children and seven grandchildren.

Economy, health and sports faces take spotlight

The news of 2009-10 included cash for clunkers, an H1N1 flu outbreak, health care, home foreclosures in a sagging economy, the continuing popularity of Facebook and iPhones, a spectacular Super Bowl win by the New Orleans Saints and World Series victory by the New York Yankees, Tiger Woods' woes, balloon boy hoax, the return of Bret Favre and new Supreme Court justice Sonia Sotomayor.

Enrollment, budgets are ICC stories of year

ICC's top stories of the year include a national article on the Writing Centers, H1N1 vaccinations, opening of the Success Centers, soaring enrollment including distance learning, the construction of Itawamba Hall, school closure because of snow, the introduction of Jon Williams as the new head football coach, new book buy-back program, Robin Lowe's selection as Humanities Teacher of the Year, the installation of hand sanitizers and lobbying legislators for funding.

Colophon

The final pages of the 2010 Mirror were shipped to Jostens in Clarksville, Tennessee in mid-February, the culmination of work which began in August.

The 2,000 copies were printed and shipped to the Fulton campus for distribution.

In his third year as ICC's Jostens sales representative, Chris Coleman helped to produce the 9" x 12" book, which was printed on 100# Unisource Gloss Text.

Photographs were made by Kim Wiygul Williams and publications staff members Jared Burleson and Petre Thomas. Also, the staff expresses its appreciation to club sponsors and students for submitting photographs.

A very special thank you goes to adviser Donna Thomas and Connie Yielding for proof-reading and other assistance with making the yearbook possible, to Will Kollmeyer for sports articles and to other faculty and staff members on both campuses who assisted with photo identification.

As editor, I also appreciate all staff members who worked diligently to complete their pages before the deadlines.

We selected Faces of the Future as the theme of the 2010 yearbook because we as students are the faces of ICC, both today and in the future.

We hope as you turn the pages of this book that you will remember what a special year this was and that in the future you will maintain your connection with Itawamba Community College.
